Treasurer's Report: We have \$779.19 in our checking account and \$4,882.74 in savings. The expenses incurred caused by the recent outbreak of illness came to \$2,704.46.

Chipping Up at Tournaments: It is advisable that at least two players remain at each table while chipping up is taking place. This message will be sent to all members.

Promo Money: As a result of the unforeseen expenses this past month, we will suspend doling out promo money the 2nd and 3rd quarters this year.

Super Bonus Jackpot: Due to its popularity with the players, the Jackpot is being reinstated effective immediately. Quad sixes is still the goal until the end of June. The money on hand for the Hold'em tournaments is \$320 and for the Hold'em cash games \$100.

Elimination of Blinds: Some tournaments have been running up to the 9:45 p.m. deadline. Beginning next week, we will eliminate the 25/50 blinds and add a \$1,000 chip to the starting chip count on Thursdays. The 25/50 blinds will also be eliminated on Tuesdays. Tournament Directors and their assistants will be advised of the change prior to its implementation.

Member's Request: The request to combine the tournaments on Thursdays during the summer was not deemed necessary at this time.

Website: The following forms will be included in the website:

- The Suggestion Form
- Request for a special tournament

Volunteers Needed: We will send out an email to the members for help in the following areas:

- Assistant Web Master – someone qualified to assist Chuck Saddoris and/or to take over his job when he is on vacation.
- A back-up for Bill Harvey gathering and posting tournament results when he is away.

Computer literacy is a prerequisite and training will be provided in each case.

Change in Mucking Procedure: The Rules Committee is considering adapting the new TDA rules governing mucking.

Meeting was adjourned at 11:45 a.m.

Next Board Meeting will be Thursday, August 27, at 9:30 a.m.
