Treasurer's Report: We have \$3,950.61 in our checking account and \$1,380.92 in savings.

Tuesday Tournament: The following two proposals were made:

1. Starting April 1st the Tuesday night regular tournament will become an experimental tournament for one month. This tournament will have 9,000 or 10,000 chips to begin with and, therefore, will be a big stack tournament. The buy-in will be \$20 and it will be open to the entire club. The blind structure will be adjusted to accommodate the timeliness and finish of the tournament. If this tournament is popular, it will continue through the summer.

The 24-person deep stack will be suspended until October when it will be re-evaluated.

2. Move Tuesday's Deep Stack to Thursday and continue it all year long. Move the Thursday SNG to Tuesday from October through March. The weekly SNG's original purpose was to offer a game for those who did not care to play in the Thursday \$10 tournament. It seems it does not have as strong a following as the deep stack has attracted.

Both proposals were discussed at length with input from Tim Maloney and Jerry Zimmerman, with the latter having requested that this issue be addressed by the Board.

The first proposal was approved by the Board with a vote of 4-1 and will now go to the Tournament Committee for implementation.

Get Well & Sympathy Cards: Ronnie will continue to send out cards to members, their immediate family, and in-laws in the event of any surgery, hospitalization, serious illness, and death. We will send out an email to the members and suggest they inform Ronnie and/or Haydee of those in need of cards.

Picnic: Tickets will be distributed from March 17 through March 27. Guest tickets are \$10. Veggie burgers will be available again this year.

Bulletin Boards: Ads may not be displayed on any of the bulletin boards.
