

THE GRAND POKER CLUB
PLAYER RESPONSIBILITIES

1. Action should not start until the deal is complete.
2. Keep your cards in front of your chips and do not cover them.
3. Protect your hand at all times.
4. Verbalize your bet or raise so that all can hear.
5. Do not splash the pot. Keep your bet in front of you until all action is complete. Then push your chips in at the end of each round.
6. Do not handle another person's chips unless requested.
7. Do not discuss the hand or comment on the cards on the board.
8. Do not act out of turn.
9. Do not show or discuss your cards with those who are out of the hand.
10. Be at your seat by the end of the deal or your hand will be mucked even if you are one of the blinds.
11. **The use of a cell phone is allowed as long as a player is not actively involved in a hand or if he is not responsible to collect the mucked cards. However, if involved in a phone call, the player must step away from the table or leave the room.**
12. Accept the decisions and requests of the Table Captain. Call the Floor if there is a major disagreement.
13. Do not comment on how others play.
14. Do not urge another player to call a bet.

In General:
